HAPPY ADDRESS

VACATION RENTALS

INTRODUCTION

Happy Address is our new Property Management and Vacation Rental division. With over 12 years developing in the Playa del Carmen area, **Desarrollos SIMCA,** along with its success, stability and experience in luxury condos administration – has provided us with the strong foundation needed in order to launch this new project.

We count with offices in Playa del Carmen and Tulum, so we can maximize our customer´s experience and give them the best time in their holidays with our top service.

With the quality and exceptional service which has set **Desarrollos SIMCA** apart, **Happy Address**' main purpose is to provide our clients with maximum rentability of their units as well as full transparency in the administration of their properties. In other words, to make you not to worry about it!

ACCOUNT ASSISTANCE

PAYMENT OF MONTHLY BILLS
All expenses and monthly bills such as water, gas, electric, HOA fees, cable etc. will be paid on the owner's behalf from his or her "owner account balance". We require that each unit maintain a balance of $ 600 usd. This personal on-line account will have all current income, as well as all previously paid bills listed.

MONTHLY STATEMENTS
Each month we will post a monthly statement which will be available to the owners via email and online. We will provide each client with a user name and password allowing them to access their online account 24/7.

PAYMENT OF ANNUAL BILLS
All expenses and annual bills, such as local taxes, trust fees, and insurance will be paid on the owner's behalf from his or her "owner account balance."

CANCELLATION AGREEMENT
This agreement is valid for the period of one year and is renewable for an additional one (1) year term until terminated by either party. Either party may terminate this agreement with a 30 day written notice, however all rental reservations made before the cancellation shall be honored by the owner.

PROPERTY MAINTENANCE

Once a unit is vacated, it is our responsibility to polish and maintain the owner's property in order to ensure that every guest enjoy the highest quality of accommodations possible.

PREVENTATIVE MAINTENANCE

We will develop and implement preventative maintenance programs in order to reduce unexpected maintenance issues and prolong the use of all electrical utilities.

WEEKLY INSPECTIONS

A weekly maintenance log will be filled out by a supervisor; a copy will be placed in the Maintenance section of the owner's file. This report will allow us to delegate work in order to make necessary re-pairs and fix any maintenance issues. Any repairs over $200.00* will require owner approval.

WEEKLY MAINTENANCE (IF UNIT HAS NOT BEEN OCCUPIED)

- Air out the unit
- Electric plugs
- Flush toilet & run water taps
- Appliance check

MONTHLY MAINTENANCE OVERHAUL

- Paint touch up
- Complete unit cleaning
- Window and floor cleaning
- Full kitchen and bath scrub
- Clean or change air conditioning filters
- Rotation of all mattresses (every 3 months)

PAYMENT OF RENTAL COMMISSIONS
Commissions will be paid to travel agents, marketing affiliates, and referrals for all reservations generated from external sources. This expense is paid from our Vacation Rental commission, and not from the owner’s account.

VACATION RENTAL SOFTWARE

We have incorporated a powerful and well known software system (Kigo) to assist in the management of all of the properties Kigo will ensure excellent customer service to all guests who are booking their stay online. The software offers real-time reservations including online booking and credit card processing.

For owners, the system includes detailed information regarding the rental property, routine maintenance, cleaning services and of course information regarding rental income received. Owners can access all unit information and updates 24/7. Through our online reservation and client services program, owners will receive a unique log in and password, which will allow them to view their monthly statements as well as their current reservations list on hand. At the end of each month, owners will be able to see their statement with itemized income and expenses. Upon the owner's request, we will pay out the balance in their account via check or bank transfer.

ON-LINE BOOKING

Guests will book vacation rental reservations online through our website and our different platforms. The site will reserve the unit based on guest criteria, charge a Visa or Mastercard and automatically send an email with confirmation receipt. Guests will be charged applicable security deposit in the same manner.

A refundable reservation / security deposit of $500 will be charged at time of reservation. Balance due is required 30 days prior to arrival date. Holiday bookings require payment in full, 3 months prior to arrival and are non-refundable.

VACATION RENTAL SOFTWARE

Reservation payments are non-refundable 30 days or less, prior to arrival.

- Holiday rentals or reservations (between dec. 15 -jan. 5) are non-refundable.
- Reservations may be re-scheduled based on availability up to thirty (30) days prior to arrival.
- After departure, any un-used portion of a vacation stay is non-refundable
